LICENSES BUSINESS

Thank you to the businesses who renewed their licenses for 2021! There is a vast array of services available. Please consider a locally licensed business to meet your needs. A current list of licensed businesses is available on our website

COLORING CONTEST WINNER

Congratulations Dayton Driggs! Don't forget to color and turn in the picture on the back to be entered to win. Open to all ages. In honor of one of our long time employees 55th birthday and their love for this contest, there will be an extra prize this month for those 55+.

FAREWELL LLAMAS

It is with heavy hearts that we say farewell to the sewer lagoon llamas. They have moved to another location and we will miss the funny creatures and in the upcoming months will probably still crane our necks each time we go by in hopes of a chance sighting.

UTILITY BILLING

Anyone can make a payment to any account at any time for any reason. However, if you are looking for information regarding the account or wanting to make changes, please note that privilege is reserved for the account owner. If you are responsible for an account, please make sure it is in your name.

WATER & SEWER LATERALS

Q: Is the letter from Service Line Warranties of America a Delta City Service?

A: No, they are a 3rd party provider.

Q: Is it legit?

A: Yes. We have endorsed them, because most homeowners are not aware that they are responsible for their water and sewer laterals and repairs can be unexpected and costly.

Q: What do they do?

A: They are an insurance company.

Q: What do they cover?

A: You can choose coverage for your water lateral, sewer lateral or both.

Q: Do I have to use them?

A: No, it is up to you to research and determine if this is a service you are interested in and if they are the company you want to use.

Q: How do I find out more about SLWOFA?

A: Contact them at 1-844-257-8795 or visit their website at www.slwofa.com

LOCAL SURVEY*

The USU 2021 wellbeing survey will be published soon. Please watch our website and social media. Your participation could help guide the future of our area.

SNOW GOOSE FESTIVAL*
